

The treatment of many thousands of cases of these chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Sanitarium, Buffalo, N. Y., has afforded a vast experience in the adaptation and thorough testing of remedies for the cure of women's peculiar maladies.

Dr. Pierce's Favorite Prescription is a tonic, a purifier, a blood-builder, and a general restorative. It is a powerful, invigorating tonic that imparts strength to the whole system, and to the womb and its appendages in particular.

As a soothing and strengthening nerve tonic, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nerve symptoms commonly attending the various functional and organic diseases of the female.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to women's delicate organization. It is purely vegetable in its composition and perfectly harmless to its effects in any condition of the system.

As a purgative and promoter of the blood, it is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, irregular suppressions, prolapsus, or falling of the womb, weak back, "female weakness," antenatal, retroversion, bearing-down sensation, chronic constipation, inflammation and ulceration of the womb, inflammation, and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of the blood, it is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, irregular suppressions, prolapsus, or falling of the womb, weak back, "female weakness," antenatal, retroversion, bearing-down sensation, chronic constipation, inflammation and ulceration of the womb, inflammation, and tenderness in ovaries, accompanied with "internal heat."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taint, and obviates cancerous and scrofulous tumors of the system.

"Favorite Prescription" is the only medicine for women that is sold by druggists, and is a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the wrapper, and faithfully carried out for many years.

Large Bottles (10 doses) \$1.00, or Six Bottles for \$5.00.
